Ryan House is a treatment-focused halfway house that provides services to those who seek recovery from addiction and related mental health issues.

Just a ten minute walk from the ocean in Lynn, Massachusetts, the Ryan House is a co-ed program with separate houses for men and women that offer 24-hour supervision and comprehensive, individualized recovery plans. At Ryan House, all clients are treated with dignity, respect, and the belief that when provided with support, education, and direction, everyone has the ability to grow and thrive.

*Ryan House serves adult men and women.*

**We are located at:**

100-110 Green Street, Lynn, MA 01912

If you or someone you know is suffering from addiction and in need of recovery services, please contact us at

Ryan House

All clients are treated with dignity, respect, and the belief that when provided with support, education, and direction, everyone has the ability to grow and thrive.

Who We Serve

Ryan House serves individuals over the age of 18 who have struggled with a long history of addiction, but have recently attained sobriety for a minimum of several weeks. This site offers gender-specific programming, and clients must be willing to participate in community services, group therapy, 12-Step programming, and hold a job while living at the program. Although the length of treatment varies, the average length of the stay is typically six months.

Our Services

- 24-hour staff supervision
- Individualized treatment planning with case management services to assist in the recovery process
- Group and individual therapy
  - Employment counseling
  - Relapse prevention
  - Anger management
  - Life skills training
- Daily self-help meetings
- Specialized services for the chronically homeless
- Weekly visits (Saturdays and Sundays from 1-4 pm) and recreational outings
- Urine screening and medication supervision
- Food, hygiene, bedding and supplies provided
- Affiliation with Lynn Drug Court and Massachusetts Parole Board
- Accessible to public transportation

Paying for Our Services

Ryan House is funded through the Massachusetts Department of Public Health, Bureau of Substance Abuse Services. After a resident client is able to re-enter the workforce, he or she will pay treatment fees that equal half of his or her income. This money is then funded back to the Department of Public Health in order to care for future clients.
